Art.Nr.: 228GA.3 / manufacturer: Horseandmore

129,15CHF

incl. 2,6% VAT plus Shipping

Delivery **Mon 09. Nov - Tue 10. Nov 2026**

Container Size: 3,000 ml

Hemp has long been considered one of the most nutritionally significant oilseeds. Hemp oil contains a particularly high proportion of unsaturated fatty acids; in particular, the omega-3 fatty acid alpha-linolenic acid is found in such high concentrations in only a few plants.

Our hemp oil is freshly pressed from regional hemp seeds in a small oil mill. Our oils are bottled using a vacuum filling system, ensuring that the oil comes into contact with no pumps or metal parts whatsoever.

The benefits of hemp oil at a glance:

Product information

General Health:

- Significant health benefits

- Improved physical well-being
- Supports digestion
- May reduce inflammation in horses.
- Regulation of hormone balance
- Lower risk associated with energy intake in horses prone to laminitis
- May reduce inflammation in horses.
- Valuable for supporting horses with respiratory issues
