Product information

The EQUEST **Thermastretch cooling blanket** combines functionality with the highest level of comfort for your horse. Made from high-quality, knitted sweatshirt fabric, it offers optimal cooling performance and a comfortable fit.

- Material: high-quality, heathered sweat fabric
- Inner lining: cozy, soft, short-pile plush
- Sizes: XS (115 cm) to XL (155 cm)

Thanks to its exceptionally soft inner lining, the blanket feels comfortable against the horse’s skin and helps the horse dry off quickly after a workout.
