The ingenious rain blanket for sudden showers. The waterproof neck blanket fastens at the front with a sturdy zipper; it is unlined, making it nice and light and easy to handle. The back panel is designed with extra room for the saddle, so this blanket—which features stirrup slots—fits perfectly even during warm-up rides. The ideal competition companion, featuring a tail strap and a distinctive Eskadron print on the neck. When not in use, the blanket can be stowed in the pocket integrated into the tail flap.
