A Glam Look for Young Riders

Live, Love, Ride: The uvex onyxx glamour helmet for kids and teens is sure to make young riders’ hearts skip a beat. Featuring a heart design on the sides and sparkling rhinestones, this lightweight and exceptionally safe in-mold helmet delivers on every front.

A helmet just like girls dream of. The uvex onyxx glamour stands out with top-notch features, exceptional comfort, and its very special glam look. The side heart design, accented with sparkling rhinestones and featuring the “Live, Love, Ride” message, highlights a love of riding. This exceptionally well-ventilated in-mold helmet features the 3D IAS system for optimal adjustment in height and width. A particularly clever feature: The uvex onyxx glamour not only looks great and provides protection on every ride, but its design also makes it perfectly compatible with eyeglasses.

One-size-fits-all: Adjustable from 3XS to XS (49–54)

Product Highlights:

- Lightweight helmet construction with maximum impact resistance thanks to the integrally bonded shell consisting of an EPS inner layer and a polycarbonate outer layer
- Optimal fit to head circumference and shape thanks to the uvex 3D IAS system, including height adjustment
- The FAS strap can be easily and continuously adjusted to fit your head shape precisely
- One-handed helmet release thanks to the anatomically shaped uvex monomatic comfort closure
- Optimized air circulation thanks to intelligently designed ventilation openings
- Made in Germany
