Gemini Riding Ankle Boots by EGO7

- Sporty and elegant
- Made of high-quality cowhide leather and polyurethane
- very comfortable to wear
- The leather hugs the foot snugly
- Thanks to the lacing, they can be individually adjusted to fit the foot and customized for width
- Elastic side panels are breathable and ensure high comfort, as well as ample freedom of movement

Product information

- Secure grip thanks to a good tread pattern in the stirrup
- The color contrast on the inside is a distinctive visual feature of these ankle boots

Material 80% cowhide leather, 20% polyurethane
