Neck Section of the Blanket:	with neck piece (fixed)

WeatherBeeta Wick Dry Cooler Combo

- Lightweight, breathable, and highly moisture-wicking cooling blanket with a mesh-covered Cooldry fleece top to provide additional protection for the major muscle groups and mesh on the sides for optimal air circulation
- Ceramic fabric technology reflects body heat and promotes blood circulation
- Optimal muscle preparation and recovery before and after exercise
- Combo neck with a hidden neck flap pocket featuring Velcro closures, allowing the neck flap to be easily stowed away so the blanket can be used as a standard blanket
- Plush fleece withers protector
- Simple chest closure, hidden belly strap, and tail cord
- The perfect choice for optimal performance and complete comfort for your horse before and after training and during transport
