"A spray lotion that gives your horse’s coat, mane, and tail a silky sheen and makes them easy to comb. It provides long-lasting shine and radiance. Its unique formula repels dirt and provides long-lasting anti-static protection. Easy Shine Intense offers a formula enriched with provitamin B5. This moisturizing and strengthening lotion leaves your horse’s coat, mane, and tail silky soft while also fortifying them. Its mild, fruity fragrance makes grooming even more enjoyable! Easy Shine Intense is a gentle care product formulated to match the pH level of a horse’s skin. Its active sprayer allows for even coverage and offers true ease of use. It can be operated in any position, even at a 180° angle! Thanks to its quiet spray sound, it’s also ideal for sensitive horses.
