Product information

The ComFiTec Plus Dynamic II pasture blanket is the ideal companion on cold and wet days.

The turnout blanket features a super-strong and durable 1200-denier outer fabric with a triple weave and Repel-Shell coating. This material is breathable and waterproof. It also includes a memory foam withers pad that conforms to the horse’s shape and lifts the blanket slightly off the horse’s back. This prevents chafing and provides additional comfort.The chest closure can be individually adjusted thanks to the Quick-Clip system. It also features 100g of polyfill, an extra-large tail flap, and reflective strips for improved visibility.

- Super-strong and durable 1200-denier triple-weave outer shell with a water-repellent coating that is both waterproof and breathable
- Withers relief padding made of memory foam that conforms to the horse’s shape and lifts the blanket off the withers to reduce friction and provide additional comfort
- Quick-release fastener at the front for maximum adjustability
- Compatible with the NEW WeatherBeeta Liner System
- 100 g of Polyfill, easily identifiable by the NEW WeatherBeeta temperature indicator
- NEW extra-large tail flap for maximum protection
- Reflective strips on the front and tail flap for added visibility
- Traditional side gussets for natural freedom of movement
- Two low cross-saddles
- Elastic, adjustable, and removable leg straps for a secure and comfortable fit
- Hydrostatic pressure tested to 2000 mm plus
- Moisture vapor test at 3,000 g/m² plus
- Includes a removable neck piece
