Officinalis Flexi Gel is a natural product specially formulated for hoof and coronet band care. Officinalis Flexi Gel enhances elasticity and imparts a beautiful shine.

Flexi Gel helps regulate moisture levels and nourishes the tissue with natural oils. Cell growth, elasticity, and the overall health of the hoof can be significantly improved.

Lavender oil is a well-known natural remedy with antifungal, anti-inflammatory, antiviral, and disinfectant properties.

Polyunsaturated fatty acids promote growth, moisture retention, and the regeneration of cell membranes.

The product does not harden when cold.
