Container Size: 5,000 ml

High-Yield, Gentle-Cleansing Shampoo Concentrate

For regular coat and tail care. HIPPO FIT is specially formulated to suit the nature of the coat; it gently cleanses, softens the coat, and gives your horse a high-gloss shine.

Hippo Fit contains a optical brightener and is therefore particularly suitable for gray horses (removes yellow stains).

Hippo Fit is a concentrate. 2–3 squirts in 5 liters of lukewarm water are sufficient for a thorough horse wash. When using Hippo Fit in concentrated form—to remove yellow stains from gray horses, or to treat biting and scratching—a thorough rinsing with water is

Product information

required after a maximum of 10 minutes of application time.

Use Hippo Shine in between washes to care for the mane and tail.
