Our Amigo® Ripstop Foal 50g Blanket is the top choice for foal blankets among horse owners and breeders. The blanket features a durable 600D ripstop outer layer that is fully waterproof and breathable. This blanket will fit your foal from newborn to 5'0", thanks to our innovative and unique adjustment system that allows the blanket to grow with your foal. This blanket can extend up to 6 inches in length by simply extending the front of the blanket and the side adjustments on the belly flap, saving you time, money,

and stress! Comfort is a key consideration for all Amigo® blankets, and our Foal Turnout Blanket is no exception; A single front closure system allows for easy putting on and adjustment, while a contoured belly arch and flap provide a snug fit to keep your foal warm with our secure and easy-to-fasten Velcro closures; the blanket features a tail flap and tail strap, and reflective strips provide practical safety whether indoors or outdoors. A trusted blanket brand you can rely on to deliver comfort and performance from the very earliest days and for many years to come
