- Better acceptance

Product information

- No “nutcracker” effect
- Facilitates communication between horse and rider Advantages of the 3-ring snaffle:
- By attaching the reins to the lower ring, the influence on the neck is enhanced.
- The 3-ring snaffle has proven particularly effective in show jumping, as the special rings allow the bit to be guided exceptionally well. This is especially helpful for horses that resist the rider’s hand

Stübben STEELtec quality:

- No sharp edges that could injure the horse’s mouth
- Long-lasting durability thanks to carefully selected materials
- Special manufacturing techniques minimize wear on the ring holes and joint connections of the bits
