StripHair ORIGINAL—an extremely handy grooming tool with a stimulating massage effect—antibacterial and antifungal. StripHair was honored as the best innovation in equine care at Spogahorse, the largest equestrian trade show.

It offers many functions for the entire horse’s body, such as washing, smoothing, and wiping away water after a shower, etc.

In addition, StripHair removes loose hair—especially during the shedding season—as well as dirt and dandruff, leaving the coat with a flawless shine.

It’s made from a durable, flexible rubber blend enriched with a secret blend of natural oils (including orange and olive oil).

Our tip: Get a second StripHair to clean your saddle pads, saddle cloths, or horse blankets as well. Made in the USA, length 22 cm, one size fits all,
