A fly blanket is a must-have for your horse in the summer!
Protect your horse from flies, mosquitoes, and other pesky insects. The neck and hood of this blanket are removable—ideal for when insects are less active. The comfortable belly flap features a double fastening system with Velcro and straps to prevent slipping.

- Material: 100% polyester
- Fly blanket with fine mesh
- Detachable neck and fly hood that can be attached to the blanket using Velcro
- The hood is made of durable mesh with cut-out seams that ensure the eyes remain uncovered
- Nylon inserts on the front of the blanket and in the neck area prevent chafing
- Belly flap with three Velcro straps and an elasticated edge
- Double buckle closure at the front
- Equipped with loops, elastic leg straps, a tail strap, and a tail flap
- Part of the 2025 Summer Collection
- Machine washable at 30 degrees. Close the Velcro fastener and wash the blanket in a laundry bag. Preferably do not use fabric softener and do not tumble dry
