The WeatherBeeta ComFiTec Luxe Bug Eye Saver with ear and nose protection provides soft and lightweight fly protection for the horse's face, ears, and nose. Made of stretchy fabric, this mask fits securely around the horse’s head and prevents flies from getting

Product information

under it, while the individual, raised nylon mesh eye panels provide unobstructed vision and sit away from the eyes. Mesh ear flaps and a sturdy, extended nose piece provide additional protection against pesky insects. The opening through which the forelock can be threaded and the fleece lining over the noseband ensure extra comfort, while the zipper under the jaw makes the fly mask easy to put on and take off. This stretchy fly mask for horses offers over 98% UV protection, excluding mesh areas.

- Lightweight, soft, and flexible stretch fly mask to prevent chafing
- Zipper under the jaw with an elastic Velcro closure for quick and easy donning
- Raised, transparent nylon mesh over each eye for unobstructed vision
- Fleece lining on the noseband for added comfort
- Mesh ear flaps and a sturdy, extended mesh nose piece for added protection
- The stretchy material provides a secure fit around the horse’s head and prevents insects from entering the fly mask
- UV protection 98%+, except for the mesh areas

--> Please note that “warm blood” (not “full”) is the largest head mask size offered by this manufacturer.
