1200-denier outer fabric with a triple weave and 220 g of Polyfill insulation

The WeatherBeeta Comfitec Plus Dynamic Combo Medium turnout rug is comfortable, durable, and offers remarkable value for the price.

- Super-strong and durable Combo Medium turnout blanket.
- 1200-denier outer fabric with a triple weave and 220 g of Polyfill.
- Repel-Shell coating that is both waterproof and breathable.
- Memory foam withers pad.
- Ezi-Clip chest closure—quick and easy to use—with traditional gussets for natural movement.
- Elastic, adjustable, and removable leg straps for a secure and comfortable fit.
- Reflective strips on both front panels and on the tail flap for added visibility.
- Double low cross-saddle straps.
- Large tail flap for added security.

The **1200-denier** outer fabric with a triple weave features a **waterproof** and **breathable** Repel-Shell coating with a medium-weight 220 g polyfill. It features a **memory foam withers pad** that provides additional comfort by conforming to the horse’s shape and slightly lifting the blanket, thereby reducing chafing. The Ezi-Clip chest fastener is quick and easy to use, with traditional **gussets** for natural movement. The elastic, adjustable, and removable leg straps ensure a secure and comfortable fit, while the reflective strips on both front sides and the tail flap provide additional visibility. Other features include double low cross-saddle straps and a large tail flap for added protection.
