Product information

For a healthy horse's stomach

- protects and strengthens the sensitive stomach lining
- ideal for horses prone to stress and with sensitive stomachs
- has an antispasmodic effect

Product Description

Gentle relief for the sensitive horse stomach

EQX Stomach Protection is the perfect natural dietary supplement to restore balance to your horse’s gastrointestinal tract. With a carefully formulated blend of natural ingredients, it soothes the digestive system and helps relieve cramps and inflammation.

Usage and Dosage:
1 measuring spoon (10 g) per 100 kg of body weight
once daily. You can feed it directly or mix it into the feed—it’s that simple! Good to know: EQX Stomach Protection can be fed long-term without concern and is completely well-tolerated even with continuous use.

Ideal for horses with stomach problems

Whether due to stress, medication, or a sensitive stomach: EQX Stomach Protection supports your horse in cases of hyperacidity, gastritis, watery feces, and stomach ulcers, and ensures that your horse feels better again quickly.

What makes EQX Stomach Protection special:

It doesn’t just help with the symptoms—it tackles the problem right at the root. The natural ingredients soothe and protect the stomach lining without blocking important nutrients.

Powerful Ingredients:

- Dill tincture: Relaxes the stomach muscles and relieves cramps.
- Psyllium husks: Form a protective mucous layer for the stomach and intestines and gently regulate digestion.
- Marshmallow tincture: Protects irritated mucous membranes and soothes inflammation.
- Chamomile extract: Soothes and relieves cramps—perfect for the stomach and intestines.

With EQX Stomach Protection, you give your horse a sense of overall well-being—naturally and without any side effects.

Ingredients

Composition:
Lacto-fermented flake
mixture (barley, corn), psyllium husks, wheat bran, marshmallow root, Hericium sp., dill fruit, oilcake blend (flaxseed, sunflower seeds), apple/grape fruit fibers, chamomile, beet greens, beet fiber, isomaltulose molasses, hot-air-dried chopped grass, yellow flaxseed, salt, oil blend (flaxseed, sunflower seeds), brewer’s yeast, cilantro, corn germ, vinegar, calcium carbonate

Analytical Constituents:
Crude
protein (10.1%), crude ash (6.1%), crude fiber (8.4%), crude fat (3.8%), calcium (Ca) (0.4%), potassium (K) (0.9%), magnesium (Mg) (0.2%), sodium (Na) (0.4%), phosphorus (P) (0.6%), starch (18.0%), sugar (7.5%)
Technological additives:
Diatomaceous earth (purified) E551c (5,000 mg)

Notes

Not suitable for pregnant mares or foals under 6 months of age. Contains yeast products. Pellets, ideal for those with dust allergies. Made in Germany.

Anti-Doping and Medication Control Rules

According to the anti-doping and medication control rules of the German Equestrian Federation (DNEV), this product has a recommended withdrawal period (from the last use of the product until competition) of 48 hours. According to the FEI (Fédération Équestre Internationale), this product is not relevant to doping.

Storage Instructions: Do not store above 25°C. Use within 6 months after opening.
