Product information

Container Size: 3 kg

Marstall LeinBits are high-quality treats for horses that stand out thanks to their carefully crafted recipe and artisanal production. As delicious horse treats, they combine select ingredients with a pleasantly natural composition and are ideal as small rewards during daily interactions with your horse.

The blend of flaxseed, carrots, and high-quality grains creates a distinctive recipe with a balanced nutritional profile. Marstall LeinBits are produced without chemical additives or sweeteners, ensuring a deliberately simple and transparent composition. Production is carried out with expert craftsmanship and extensive experience in equine nutrition.

Thanks to the convenient 3-kg package size, the product is suitable for regular use in daily stable routines as well as for riding, training, or ground work. Formulated as a treat, LeinBits are a suitable supplement for horse-appropriate feeding situations with a limited daily allowance.
