The bogar bogacare Universal Dog Shampoo is a deeply cleansing shampoo for adult dogs. The Universal Shampoo features a high-quality formula with nourishing avocado oil and cleansing wheat protein. It gently and effectively cleanses the skin and coat, nourishes dry hair, and gives the coat a silky sheen.
Persea gratissima: Avocado oil is rich in phytosterols, lecithin, minerals, and vitamins. Avocado oil is easily absorbed by the skin and helps eliminate dandruff. Its high content of palmitoleic acid promotes cell regeneration and is ideal for caring for and protecting dry and damaged skin.
Hydrolyzed wheat protein: Thanks to its silica content, wheat protein has a reparative effect on structurally damaged hair. Wheat protein is gentle on the skin, nourishing, and moisturizing; it improves stability and leaves the skin feeling velvety soft.
