Frey Hippo Skin Relax, with its carefully selected ingredients—such as lemongrass and various oils—effectively relieves scratching and itching in the sensitive mane and tail areas.

Thoroughly clean the affected areas, then apply Frey Hippo Skin Relax evenly and massage it in. If symptoms recur, repeat the process after 3–4 days, but do not use daily.

Do not use Frey Hippo Skin Relax daily; avoid contact with the eyes and mucous membranes.
For external use only; store at room temperature.

Shake well before and between uses!
