Makana ® Metabolism PRO 1.5 kg bag - coarse POWDER / granules - made from black cumin and flaxseed cake - supports metabolism
Made with black cumin and flaxseed meal. The blend contains various well-known herbs that can help boost metabolism. Black cumin meal and flaxseed meal, which form the basis of this herbal blend, can have a positive effect on overall well-being, digestion, and general metabolism. All herbs are of select quality!
Feeding recommendation:
Large horses (600 kg body weight) 100 g–150 g per day
; adjust accordingly for ponies and small horses.
May be moistened before feeding.
Makana Metabolism Pro can also be fed twice weekly, approximately 300 g each time, mixed with mash.
May be fed year-round as needed.
