Stainmaster Manure Stain Remover – 500 ml

Stainmaster Manure Stain Remover offers a reliable solution for stubborn stains in equine environments. The product has been specially formulated to effectively remove a wide variety of stains without requiring time-consuming follow-up treatments.

Applications:

- Removal of manure and dung stains
- Removal of grass and green stains
- Removal of sweat and dirt stains
- Brightening white markings for show preparation
- Use as a dry shampoo in adverse weather conditions

Product information

How it works:

Spray the product directly onto the affected area or apply it with a cloth. After thoroughly rubbing it in with a damp sponge or cloth, wipe it off. The cleaning effect is immediate, with no rinsing required. This feature makes the product particularly convenient for quick touch-ups before events or when shower facilities are not available.

Product Features:

- No rinse required—no follow-up treatment needed
- Fast-acting with immediate results
- Versatile for use on various types of dirt
- Convenient 500-ml bottle for on-the-go use
- Suitable for the face and sensitive areas

This product is particularly suitable for horse owners and caretakers who value an efficient and hassle-free cleaning solution. Its specially formulated composition reliably removes both surface and deep-seated dirt.

Follow the instructions before use. In case of contact with eyes, rinse with water.
