Elegance in its purest form—that's the LISBOA. This distinctive riding glove offers the perfect blend of function and fashion. The eye-catching feature is the ROECKL logo, crafted from sparkling **Swarovski crystals,** on the characteristic back strap. Crafted from ROECKL's exclusive synthetic suede**, ROECK-GRIP®**, this fine glove is highly **breathable**, fits as **smoothly** as a second skin, and offers riders an optimal, **sensitive grip** on the reins. Practical: the reinforcements in the rein area. But it's not just the comfort that impresses: of course, the glove is machine washable at 30 degrees. The **TOUCHSCREEN COMPATIBLE** feature also allows you to operate a smartphone without having to take the glove off. **Back of the hand:** ROECK-GRIP®
Palm: ROECK-GRIP®
Features: Strap with Velcro closure and Swarovski crystals, TOUCHSCREEN COMPATIBLE
