Product information

Scratching, itching, chafing, open sores, irritated skin, bald spots, and much more. ZEDAN’s Anti-Itch Gel is a certified, natural skincare product that provides long-lasting relief from annoying itching thanks to its intensive care complex.Certified organic calendula extract and bisabolol support skin regeneration, allowing hair to grow back.
Directions: Apply to the affected area once or twice daily. Apply more frequently if necessary. Continue applying until the desired effect is achieved. Gently clean treated areas regularly every 3–4 days.
