NoSkin #NoProblem

The 100% Made in Italy "CARBON AIR SENSITIVE +" products feature a special inner lining made from PURE MERINO WOOL, obtained through shearing. The wool is woven into the inner fabric. By avoiding the use of leather, typical care and washing issues can be avoided without sacrificing maximum comfort and anti-allergic properties.

Technical Specifications:

Product information

- 100% Made in Italy
- External TPU structure with varying thickness
- Ventilation via air vents above the ankle
- Gel-Tech for shock absorption and comfortable cushioning
- Carbon fiber elements for thermal insulation of the joints against heat generated by external friction and to increase mechanical impact resistance
- Flex Zone for maximum range of motion in the limb
- Elastic quick-release fastener for a secure fit

CAUTION
: - Do not wash the product with a conventional detergent. Use a wool detergent
. - Do not wash the product in the washing machine.
- Do not put the product in a dryer.
