Canine Adult Free-Range Lamb for All Breeds Lamb is packed with protein and essential minerals like iron and calcium. Our sheep and lambs enjoy fresh air and graze in pastures all year round. That’s because we source our lamb exclusively from certified free-range farms. The carrots and parsnips come directly from our local region. The grain-free recipe is tailored to the needs of larger dogs. It contains no added sugar or artificial colors, flavors, or preservatives. Even if your dog has food sensitivities, he’ll enjoy our easily digestible food.

Feeding Recommendation: Good to know—Simply feed it dry if your dog likes it crunchy. For a softer consistency, pour fresh warm water (approx. 60 °C) over the food and let it soak for a few minutes. Don’t forget: Your dog needs fresh drinking water at all times. If you give him treats, reduce the amount of food accordingly. The amounts in the feeding recommendation are guidelines. However, your dog’s needs vary depending on age, breed, living conditions, and activity level. Therefore, individual adjustments may be necessary. Daily Ration: Ideal Weight:
