Product information

Container Size: 10 kg

Marstall LeinBits are high-quality treats for horses, made with carefully selected ingredients and crafted by hand. The recipe combines flaxseed and carrots with grains to create a tasty treat that’s perfect for daily rewards in the stable or during training.

The 10-kg package size is particularly convenient for farms, riding stables, and regular use. The balanced composition results in a product that features a simple, minimalist recipe and contains no chemical additives or sweeteners. This makes the horse treat a natural fit for a mindful feeding routine.
