HB-Classic Body-Move-Pad Pro-Correction Dressage

The proven Body-Move-Pad Pro Correction Dressage (made in Germany by st-eb) ensures optimal pressure distribution and largely compensates for fit issues between the saddle and the horse’s back.
All without compromising the rider’s connection to the horse or the ability to give subtle aids. This gentle effect helps keep the horse’s back muscles relaxed.
Combined with the excellent breathability of the material used, the horse feels comfortable under the saddle, can move freely and unhindered, and relax its muscles. Please always readjust the girth several times at the beginning. After the first wash and initial
