FREY Eye Wipes in a dispenser box (110 sheets) are designed for the hygienic cleaning of the outer eye and nostril areas and combine practical use with gentle care. The soft wipes, made from 100% cellulose, are suitable for daily use and facilitate clean, easy cleansing as part of regular pet care.

The **eye wipes** are **newly** formulated **with eyebright**, which is valued for its soothing and anti-inflammatory properties. This creates a gentle solution for sensitive areas that reliably removes impurities. Also suitable for other animals, the product offers versatile applications in both stable and pet care settings.

The resealable dispenser container helps keep the wipes moist even during extended storage. Additionally, the container is easy to refill, making it particularly convenient for everyday use. The single-use wipes promote hygienic use and can help prevent eye irritation caused by dirt.
