Product information

Neck Section of the Blanket:	optional (sold separately)
Denier:	Ballistic nylon

The Bucas Smartex Turnout line offers extremely durable and comfortable rugs that can be used across a wide range of temperatures.
Thanks to the Bucas-exclusive “Stay-Dry” inner lining, the Smartex Turnout can be placed on a wet horse after riding or washing. Moisture is quickly wicked away to the outside, allowing the horse to dry off rapidly, and the inner lining in direct contact with the horse’s coat remains dry.
Thanks to its extremely tear-resistant, waterproof, and breathable outer material—Ballistic nylon—the Bucas Smartex Turnout offers optimal durability and is extremely versatile.

The Smartex Turnout is also available in a Big-Neck style, which is ideal for stallions and breeds with broad shoulders.The Smartex Turnout is available in a classic cut, with a neck piece sold separately. It is available in Blue or Iron Gate as an unlined rain blanket or with 150g and 300g fill as a warm pasture blanket.
