# Product information

Container Size: 750 ml

This proven insect repellent spray works thanks to its powerful herbal scent. It provides immediate and reliable protection against horseflies, mosquitoes, biting flies, and ticks. The extra-strong formula, based on the horsefly repellent developed in collaboration with the Swiss Tropical Institute, is particularly gentle on skin and fur and has been dermatologically tested. The powerful herbal scent is not only effective but also pleasant on hot days. Guarantees long-lasting insect protection! Contains: Icaridin active ingredient blend
