Shoe Size:	39

Waterproof and warm winter riding boots made of oiled full-grain leather. 200G Thinsulate® combined with a faux fur lining ensures light weight and maximum warmth. A sturdy, snow-gripping outsole provides traction both in and out of the saddle, while the soft ShockX™ insole ensures excellent comfort and shock absorption.

FOOT: – Ergonomically shaped, removable ShockX™ insole

SOLE: – Grippy, rugged outsole for traction in and out of the saddle

• Sturdy, snow-gripping outsole for fantastic traction
• Ergonomically shaped, soft ShockX™ insole
• 200G Thinsulate® – Lightweight insulation for maximum warmth
• Durable, oiled full-grain leather
