The WEATHERBEETA Reflective Wrap-Around Kidney Blanket in Silver offers enhanced visibility and functionality during trail rides in changing conditions. This reflective riding blanket with a saddle cutout combines weather-resistant features with a clear focus on safety and comfort. Measuring 155 cm, this model is ideal for use at dusk, in fog, or in inclement weather.

Product information

- **Waterproof and breathable** for reliable weather protection while riding
- **Highly reflective material** for improved visibility on the road and off-road
- **210T polyester lining** for a comfortable fit
- **Velcro closures** at the withers and chest for a secure fit
- **Large tail flap** with tail cord for added protection
- **0 g of insulation** for use in milder temperatures and changeable weather
- **Machine washable at 30 degrees** for easy care

This reflective kidney blanket is ideal for riders who value functional features and high visibility. The silver-colored design enhances the material’s eye-catching effect, while the well-thought-out fit promotes freedom of movement and practical everyday use. Designed as a trail blanket, it offers a balanced solution for situations where protection, comfort, and visibility are equally important.
