For young riders who love glitter, Roeckl has introduced this functional and snug-fitting riding glove. Thanks to the brushed, stretchy polyester on the back of the hand, first-class comfort is guaranteed. Whether you’re riding or handling the horse, a comfortable fit and unrestricted freedom of movement for your fingers and hands are guaranteed. The thin and exceptionally soft, yet durable, Durasense synthetic suede on the palm ensures a secure grip on the reins. Additionally, the material has been laminated to prevent annoying layer shifting. A Velcro strap at the wrist completes the secure fit. Silver-colored, sparkling horseshoes and the Roeckl logo in an elaborate glitter print adorn the back of the hand for a stunning design.
