This Wezen men's training polo shirt was designed for riders who are always ready for new challenges.

It is lightweight and durable, offering a comfortable fit that doesn’t restrict your range of motion during training or outdoor activities.

Made from performance fabric, the Wezen Training Polo Shirt features a button closure at the collar, combining functionality with a sporty style.

The design is accented by the Vestrum LAB logo on the left shoulder, while the LAB lettering on the back creates a distinctive and modern look.

A functional and versatile training polo shirt, ideal for everyday use at the riding stable.
