Carr & Day & Martin Dreamcoat Coat Shine Spray – Professional High-Gloss Finish for Horses

The Coat Shine Spray offers an innovative solution for a flawless, glossy appearance of the horse's coat. The special formulation produces an intense shine without leaving a greasy film or unsightly residue. It is applied using a fine mist that spreads evenly over the body, mane, and tail.

Product benefits at a glance:

- High-gloss finish without a greasy film
- Silicone-free formula—versatile
- Non-slip texture highlights muscle definition
- Suitable for the saddle area, mane, and tail

Product information

- Easy to use—just spray and brush out
- Ideal for pre-braiding the mane and tail

Directions for use:

Apply the spray to the coat in even strokes and let it sit briefly. Then polish the coat with a brush. The silicone-free formula allows for safe use even on the saddle area. Apply before braiding for an optimal high-gloss finish.

Available sizes:

- 500 ml – Ideal for regular use
- 1000 ml – Economical size for more intensive use

Carr & Day & Martin’s high-quality formula ensures reliable results with every application. The product combines functional efficiency with professional standards and offers a practical solution for the coat care needs of discerning horse owners.
