Leather Color:	Black
Seat size:	17 (56–79 kg)
Chamber width:	34
Pre-cut:	A 00 (Standard)
Pillows:	LPF (wool pillow)

The Melody K CPS saddle has been redesigned while retaining its characteristic features. The saddle is available in two seat depths: MD (semi-deep) for riders who prefer more freedom of movement in the saddle, and DP (deep) for a particularly stable seating position. The saddle is equipped with CPS technology, which ensures a centered position and a wide, comfortable seat. It is a single-flap saddle and features Velcro-fastened panels that combine the benefits of the typical close-contact feel of a single-flap saddle with the versatility of interchangeable panels. To ensure maximum comfort and full freedom of movement for the horse's shoulder muscles, the saddle tree is designed with a wide front section, while the anatomically shaped panels in the rear provide comfort. The front section has also been designed to offer exceptional flexibility right from the very first rides. The front girth strap, which is attached to the panel, increases the saddle's stability. The girth strap pocket is integrated into the saddle flaps. **NOTE:** The images shown are standard illustrations of the respective saddle model. Colors, decorative stitching, and product-specific details may differ from the actual product delivered.
