The Harcour Columbine Women's Jacket in navy/white is a warm, quilted **women's jacket** featuring a striking herringbone pattern and clean lines. This style combines functional details with an elegant look and is perfect for cool days when comfort and a polished look are equally important.

- Straight cut for a modern, uncomplicated fit
- Stand-up collar for extra protection against the cold around the neck
- Fleece-lined zippered pockets for cozy warmth around the hands
- Concealed silver zipper with a rhinestone-embellished slider
- Elastic cuffs and hem to reduce drafts
- Herringbone weave in navy/white
- Embroidered Harcour logo on the left chest
- Silver Harcour pin on the upper back

The quilting lends a high-quality look while also enhancing the jacket’s warmth. The understated color scheme in navy and white makes this style versatile for mixing and matching. To create a harmonious overall look, the subtle details add understated accents without overwhelming the clean silhouette.
