The **Amigo® 1200D 0g Pasture Rug** is a classic when it comes to reliable protection and comfort. This durable, waterproof, and breathable outdoor blanket, made from sturdy 1200D polyester, protects your horse from the elements and offers maximum comfort.

The blanket is designed for optimal freedom of movement: A V-shaped chest closure relieves pressure on the shoulders, front leg openings ensure mobility, and three cross-saddle straps provide a secure, adjustable fit. A waterproof tail flap and washable PVC tail strap offer additional protection from rain and wind.

A shine-enhancing, antistatic, and antibacterial lining reduces friction and prevents chafing, while also improving comfort and maintaining the rug’s hygiene. This well-fitting rug can be combined with a detachable neck piece (sold separately) to cover the entire body. Furthermore, it is compatible with the Horseware® Liner System, offering flexible layering options for any weather. Leg straps can be added to the horse blanket as an option.

The Amigo® 1200D 0g Pasture Rug is rounded out with reflective stripes for better visibility at dusk and at night—the perfect choice for horse owners who want reliable performance and adaptability.
