Features of this blanket include a **waterproof and breathable** 900D ripstop outer fabric, a shine-enhancing, anti-static, and antibacterial lining, a straight front closure, and two crisscross straps for a secure fit. This blanket is easily adjustable thanks to the lining and hood loops and is **compatible** with our Amigo® 900D Ripstop hood and our **Horseware® liner system**. A tail strap ensures that the blanket stays securely in place and doesn’t slip.
