The **Amigo® 1200D Turnout 100g** is a classic, durable, and versatile turnout blanket that provides light warmth and reliable protection.

This **waterproof and breathable blanket** is made from a sturdy 1200D polyester outer fabric and features a 100 g fiber filling for extra warmth and superior comfort in changing weather conditions. The 210T polyester lining, with a gloss finish and **antistatic and antibacterial properties**, promotes coat health by reducing friction, preventing chafing, and minimizing bacterial growth.

Designed with safety and freedom of movement in mind, this blanket features a **V-front closure** to relieve pressure on the shoulders, front leg openings for improved mobility, and three **crisscross straps** for a secure and comfortable fit. A waterproof tail flap and a wipe-clean PVC tail cord provide additional protection from the elements.

For added versatility, this blanket is compatible with the **Horseware® Liner System**, which allows for easy layering, and can be combined with a **removable Amigo® neck piece** (sold separately) to cover the entire body. Enjoy additional stability options thanks to compatibility with leg straps.

Featuring reflective strips for improved visibility, the Amigo® 1200D Turnout 100g is a reliable and practical choice for year-round comfort.
