This durable blanket is compatible with inserts, allowing for versatile layering options. It features a waterproof tail flap for enhanced protection. It’s ideal for slightly cooler days in spring or fall and provides your horse with a comfortable layer of warmth.

Design details you and your horse will love include the **Surefit neck design with a V-shaped front closure** and leg openings that offer your horse exceptional freedom of movement. The **antistatic, antibacterial lining** enhances both the comfort and hygiene of the blanket.

Additional features include reflective strips for better visibility, a wipe-clean tail cord, the Rambo® Safety Surcingle System for a secure fit, a Velcro fastener for the optional neck piece, and compatibility with leg straps for added stability.
