Art.Nr.: VE-CGVF-STS11-S / GTIN: 8052439545470 / manufacturer: Veredus

225,90CHF / Couple

incl. 8,1% VAT incl. Shipping

Currently out of stock.

Color:	black
Size of Gaiters / Bell Boots:	S

Carbon Gel Vento is a gaiter developed in **collaboration with Marcus Ehning** that ensures dual ventilation. The heat emitted by the horse's leg passes through the layer of micro-perforated neoprene and is then distributed through the channels of the 3D mesh fabric. **Fresh air enters** through the **ventilation opening** and carries the heat upward to the exhaust grille. **Ventilation thus occurs both horizontally and vertically**. **Protection of the tendons is** ensured **by the carbon** in combination with a **shock-absorbing film made of Nitrex gel**. The **inner lining**, made **of faux fur**—a synthetic material containing no animal-derived substances—offers the horse exceptional comfort and is also aesthetically pleasing.
