45,90CHF / Piece

incl. 8,1% VAT plus Shipping

Delivery **Sat 07. Nov - Mon 09. Nov 2026**

Color: brown

The three-layer foam construction ensures **optimal protection without being too stiff**, making this hoof bell the ideal choice for the horse. The pasterns of the front legs are among the most sensitive parts of a horse’s body and are often struck by the shoes on the hind hooves, especially during the landing phase after a jump. Hoof bells effectively protect the pasterns from accidental impacts.
