Cleans, deeply nourishes, and polishes all types of leather goods, restoring their natural softness and suppleness

- GLYCERIN: a traditional ingredient for cleaning and softening leather.
- LANOLIN: a natural fat with conditioning and nourishing properties.
- COCONUT OIL: a very fine natural oil that makes the leather smooth and shiny

Directions:

Product information

To clean leather with Curium Soap, apply the soap with a damp sponge, then rub it in with a cloth. Finish the treatment with Curium Oil or Curium Balsam.
