Super Sheen is the shine spray used by professional groomers. It gives **the coat and long hair a radiant shine** and luster, and leaves the tail and mane soft, silky, and **tangle-free for two weeks**.

Directions:

Spray from a distance of 30 cm or apply to a soft cloth and rub it into the coat. Avoid the saddle area, as the saddle could slip on the smooth coat. Allow to dry for a few minutes. Brush the coat and long hair in the direction of growth.
