**The Amigo® 1200D Plus Turnout 50g** is one of Amigo®'s best-selling turnout rugs, offering your horse durability, comfort, and versatility.

This lightweight turnout blanket is made from a durable and **waterproof 1200D polyester outer fabric** and protects against the elements without compromising breathability. The **shine-enhancing 210T polyester lining** ensures a comfortable feel against your horse's coat, while the **50 g filling** provides **warmth in changeable weather**. The antistatic, antibacterial lining improves both the comfort and hygiene of the blanket.

The combination of a detachable neck piece with secure hood loops, the Surefit neck design, the **V-front closure system,** and the leg gussets allows for freedom of movement. Three crossed girth straps and a wipe-clean PVC tail cord ensure a secure, adjustable fit and added stability.

Additional features include reflective strips for better visibility, a waterproof tail flap for added protection, and compatibility with leg straps for greater safety. This blanket is also **compatible** with the **liner system**, allowing for flexible layering with Horseware® inner blankets, which are sold separately.

A reliable pasture blanket from an iconic brand, designed to keep your horse comfortable even in constantly changing weather.
