Material:	Leather
Color:	black

Prestige Italia Long Girth Special is a high-quality **long girth** made of black grained leather, designed for precise and functional use in equestrian sports. Its craftsmanship combines Italian artisanal quality with a clean, purpose-driven design, ensuring reliable performance in both training and competition.

The sturdy leather ensures a durable surface that feels comfortable to the touch and retains its shape well. Elastic straps on both sides contribute to an even fit and help distribute pressure evenly. This creates a functional connection between the saddle and the horse that is designed for safety and stability.

Product information

Rings for auxiliary reins are integrated for added flexibility. A **snap hook** completes the design and allows for secure attachment of the breast collar. The black color scheme emphasizes the classic character and offers versatile styling options.
