Product information

Color:	black
Clothing Sizes:	M

The Vestrum Rovaniemi Women's Jacket is a functional women's jacket for changeable weather that combines clean lines with technical performance. The water-repellent Technical Memory Fabric ensures a stable fit and a comfortable feel, while the jacket’s streamlined silhouette gives it a modern, sporty-elegant look. In black, this model is particularly versatile and works just as well for everyday wear as it does for outdoor activities or during the transitional seasons.

The integrated hood complements the jacket’s weather-ready design and enhances its everyday practicality. Side zipper openings offer additional flexibility and allow for comfortable freedom of movement without compromising the clean lines of the design. The subtle, embroidered Vestrum logo adds a touch of sophistication and blends harmoniously into the overall look.
