The Vestrum Caramello Women’s Vest combines feminine lines with functional everyday wearability and, as an elegant women’s vest in beige, features a understated, high-quality look. This style features water-repellent fabric, a finely ribbed texture, and thoughtful details that offer flexibility for everyday wear and during the transitional seasons. The subtle Vestrum logo patch on the front highlights the brand’s signature identity and adds a stylish detail to the clean design.

This women’s vest serves as a versatile layer over shirts, long-sleeve tops, or lightweight sweaters, ensuring comfortable wear while maintaining a polished look. In particular, the combination of corduroy-like texture, a practical stow-away hood, and a carefully balanced fabric blend makes this style a functional addition to a modern wardrobe.
